Tuesday, September 14, 5:30 pm  
GreekTown Grille  
1230 Cleveland St., Clearwater

Join with solo practitioners and lawyers from small firms for networking to build your practice and improve your practice management skills. The purpose of this new Solo & Small Firm Section is to provide an opportunity to meet and network in an informal setting to exchange information and assist each other with office practices, procedures and management, as well as serve as a source of referrals.

Stephanie Bolton and Joe Corsmeier are serving as co-chairs. There is no charge to members of the Clearwater Bar Association. A dutch treat Happy Hour follows.
