

An invitation to join...

Founded in 1930, the Clearwater Bar Association is the leading local association for attorneys, regardless of their practice area or career choice.

CBA's mission is ***working for the greater good of attorneys and the community-at-large***. This is accomplished through providing members with opportunities for networking and forging long-lasting relationships, continuing legal education, discounts on products and services, a bi-monthly newsletter, a photo directory, access to www.clearwaterbar.org, and more.

By joining you can also join as many of CBA's sections and service committees as you wish, at no extra charge. Section involvement provides lawyers with a forum to enhance their substantive practice skills. Committees are an outlet for member activities and community service. These lists are purged annually, so please be sure to select your preferred selections and committees.

Join with your colleagues and share the CBA's vision ***to exceed expectations of both the legal profession and the community as a model of service and action.***
